Covid-19 update

Firstly, I would like to say a huge thank you to all of those parents and carers who are continuing to support the school by wearing face masks and adhering to the 2m social distancing rule when dropping off and collecting children. Due to cases of the new Indian variant of Covid-19 being confirmed in the City of Leicester, we have decided to continue with the measures that we already have in place for a while longer to mitigate risk of transmission as much as possible. I fully appreciate your support and understanding regarding this matter.

Attendance

I'm really pleased with our whole school attendance this week. On 4 out of the 5 days we have achieved over 95% which is fantastic.

Well done to 2H and 6H for winning the weekly attendance certificate!

Plant Growing Competition

If you haven't already got involved with our planting competition, it isn't too late to get started. All you need to do is find an unusual, recycled container and grow a herb or a vegetable inside and you could even win a prize. Here are some ideas:

Transition Day

On Friday 25th June, to prepare the children for returning to school in September, they will spend the whole day with their new class and new class teacher. On that day, the children will go straight to their new classroom in the morning; they will not go to their current classroom because we want to avoid bubbles being mixed. There will be plenty of adults outside ready to greet the children so don't worry if you're not exactly sure where they need to go. More information will follow closer to the time.

Reading

Please ensure that your child reads regularly either independently or to an adult at least 4 times a week - ideally daily! For those children who have '2 dos' to complete on Serial Mash please make sure these are completed on time.
