

14<sup>th</sup> January 2021

Dear Parents/Carers,

I would like to start off by thanking you for supporting your child's home learning – I know it isn't easy so well done!

The school has been allocated 49 additional Chrome Books to support home learning, which should be delivered by Friday. Parents/Carers who meet the criteria for receiving one of these devices will be contacted as soon they are ready for collection.

If your child is learning online and they are invited to a Zoom meeting please can you ensure that they attend. It is important that the children participate in these meetings because it enables the class teacher to support them with their learning. Unfortunately, we have recorded very low attendance for these meetings so far, for example, 12 children were invited to a meeting today and only 3 attended.

If you are collecting paperwork from school, please can you drop off any completed packs at the same time so that they can be marked by the class teacher.

Please stay safe and take care.

Emma Tuffey

Acting Head Teacher
