25th March 2021

Dear Parents/Carers,

I would like to start off by saying a huge thank you to all of our wonderful children for returning to school with such positivity and enthusiasm. They have worked extremely hard over the last few weeks; it has been so lovely to see them back in class with all of their friends.

Reporting a positive case of coronavirus

Schools continue to play an important role in contact tracing and the national effort to limit the spread of coronavirus (COVID-19). Parents should **email** the school if their child developed symptoms **within 48 hours after being in school**: office@fosse-pri.leicester.sch.uk. Please do not phone the school office.

Test & Trace Support Payment

The Test and Trace support payment for people self-isolating as a result of a positive contact is now available and includes eligible parents/guardians of children who are asked to self-isolate by a school. Further details are available on the council's website and there is an online form for parents to complete.

Lateral Flow Test Kits for parents and children

If parents of any school-age child want to undertake regular lateral flow testing, they can order a kit online or collect kits from their local rapid test site. Further information is available on the council website.
