Thursday 26th August 2021

Dear Parents/Carers,

It's been lovely to see all of our children return to school and meet many of the family members on the playground. The children looked so smart in the school colours!

As we are now serving hot dinners and sandwiches in the hall for F2 to Year 6 and space is limited in the entrance to the school we would discourage parents/carers from visiting the school during our lunch hours: 12 – 1.30pm.

We are of course able to answer any queries over the phone and via email.

One way system entry is still being carried out and please exit from the main gates on Balfour Street once your child has gone into class.

Thank you.

Yours faithfully,

Ms Jay Virk
Principal
