Issue Number 17

July 8th 2015

A fond farewell to much loved staff

The end of this year will be more difficult than most as we say goodbye to several members of staff who move on to pastures new.

Julie Stapleton leaves us to start a totally new chapter in her life.

Rachel Watts is moving to a school closer to her home to spend more time with her family.

Nicola Wright leaves us to work in a special school.

Ben Ashton is leaving to take on the challenge of working in Foundation Stage.

Christian Heredia will be taking his PE coaching skills elsewhere.

They have all contributed to improving our fantastic school and I am sure you would like to join me in sending your best wishes to everyone – in different ways they will all be missed. We also extend our best wishes to Michelle Hook who goes on maternity leave for two terms in September.

We are pleased to have appointed three excellent and experienced teachers: Lorna Wells (Foundation 2), Nina Balwant (Year 2) and Richard Horn (Year 4)

Headteacher

Summer Building Works

After protracted negotiations with the local authority the school is finally having a new ventilation system installed over the summer holiday.

Those of you that have been inside some of our classes (over the summer in particular) will know that we have suffered from poor air quality.

Myself and the governing body have been working extremely hard over the last two years to have the issue addressed and I am pleased that we finally helped the LA to understand that, whatever the cost, your children and our staff deserve to work in a healthy environment.

Unfortunately, the works will be intrusive, messy, very complicated and involve every class to some degree. Staff have been working above and beyond to make sure everything that needs to be cleared is tidied away.

The works continue right up to the last day of the children's holiday so please bear with us if some things are not quite as sorted on September 1st as they normally are. Clearly, we hope that everything will be totally ship shape but I wanted to let you know now just in case we are having to catch up when the pupils return.

Reading – Flash Mob 2

Please join us in the playground tomorrow morning with a book.

We hope to have the

whole school

Together Everyone Achieves More – without a doubt !

Huge congratulations to all the children in Year 6 who have worked so hard in their time at Fosse. When our final reports are published they will show that we have achieved our best ever Key Stage 2 results. More important than this however, is the way that these children have matured into such fine young people, able to work together so well and ready for the challenges of secondary school.

However, their success is not just down to the Year Six Team - I want to pay tribute to all the staff at Fosse who work so hard to provide the very best that we can for your children. I am proud to say that across the school children have made better progress than any year in my time at Fosse. Thank-you to parents for all your help and support and best wishes to everyone for an enjoyable and peaceful summer holiday.
