Issue Number 1

September 1st 2015

Dear Parents and Carers,

Welcome Back!

It is always great to start the autumn term seeing so many familiar faces in classes and around the school; I hope you have all managed to have a peaceful and restful time at some point over the summer! School has been a hot bed of activity with teams of workmen installing a totally new ventilation system in the school. We hope that this will make a noticeable difference to the air quality in classes across the school – we also have the added benefit that the ducting in the upstairs classes makes it look a bit like the children are in a spaceship!

I would like to thank all the staff at Fosse for their patience and hard work in getting the school back into shape for the new term. We still have a little way to go but staff have pulled out all the stops to make sure classes have been welcoming environments for your children.

I am looking forward to another successful year at Fosse – last year we had our best ever results in F2 and Year 6 while over half the children in Year 2 made better than expected progress between F2 and the end of Year 2. Credit goes to the wonderful children we have, yourselves for supporting your children's learning and the fantastic staff we have at Fosse. We will publish more information about our results when we have the 'official' figures back from the Department of Education later in the term.

Yours Sincerely
Richard Stone

27 th November	5/6S Assembly
11 th December	Year 1 Nativity
18 th December	St Margaret's Carol Service
21 st Dec-4 th Jan	Christmas Holiday
5 th January	Spring Term Begins

Permission Booklet

Before the end of the week you will receive a 12 page booklet containing all the different permission slips that we require parents / carers to sign each year (eg permission to take your child on trips, home school agreement etc) Now, once these are signed, they will be kept on file until your child leaves Fosse so you will not need to sign them again.

Contact Details

I was pleased to see a parent providing the school with updated contact details this morning. This is so important. On a few occasions last year we were unable to contact parents when we needed to – this is upsetting for everyone concerned, particularly the children involved so please do not forget to keep us up to date. Thank-you.
