Football Fans – join our fantasy football league!

Dear Parents and children,

Schools fantasy League is a fun way for children to learn some really useful skills and have fun at the same time. Once you've registered you get an imaginary £110 million to pick your team of 11 premier leaguer stars! There aren't many rules to follow:

- You can't have more than 3 players from one club (so no picking 11 Leicester players!)
- Players score 1 point for playing
- Players score 5 points for scoring
- Players score 3 points for an assist
- If your captain scores you get double points
- Goalkeepers and defenders score 4 points for every 'clean sheet' so pick good defenders!
- You lose a point for every goal your team concedes
- Every month you can make five transfers so use the statistics on the site to pick players who are in form

The bad news is that **you have to register your team by this Saturday**. The good news is that it only takes ten minutes to register, save your team and sign up for our league and it costs nothing to join.

All the teams registered to our league will be able to pit the footballing wits against other children as well as teachers and parents. Join up and see if you can outwit Mr Marsh and Mr Stone!!!

The web address is: <http://www.schoolsfl.com/>

Once you've saved your team you can search for the Fosse Primary league.

Our league number is 8568980 Key in that number and Mr Marsh will be able to accept your request to join the league. We hope to see your teams online and may the best team win – there will be prizes for the best teams 😊

Yours Sincerely
Richard Stone
Headteacher
