Election Day!

Dear Parents, carers and children,
Children from Year 1 to Year 6 voted for school councillors today, learning how a democratic election works. Once again we had a huge number of children putting themselves forward to be councillors. 105 children were nominated which shows how much pupils value our school council – all credit goes to the children of Fosse who are learning to make a difference!

Best Wishes
Richard Stone
Headteacher

Children from Miss Balwant's class get the democracy bug!

Halloween Disco!

We are holding our annual Halloween Discos in the first week back after half term – tickets will be available in the office from Monday 26th October – we hope that everyone will really enter into the spirit of Halloween and come dressed appropriately ☺

Schools Fantasy Football

If you want to join our school fantasy football league please register your team tonight!!!

Mr Marsh, Miss Ellis and Mr Stone have their teams – come and pit your footballing wits against them and your friends. There will be prizes for the best teams this season.

<http://www.schoolsfl.com/>
Our league number is 8568980

Up for the Cup!!!

Huge congratulations to our football team who beat Lady Jane Grey Primary School 4-0 on Thursday night, playing some brilliant passing football. Well done to everyone but particularly Sergio who was man of the match!

Jungle Book Performance

Children from Year 1 to Year 6 will get the chance to see a live performance of Jungle Book on Tuesday 27th October. Even though we've secured a great deal, I am sure you understand that it isn't cheap bringing theatre companies into school so any donation will help. It's really important that we keep providing as many different and exciting opportunities for the children, so your support is particularly welcome.

Enjoy your half term and stay safe

You may have seen in the Leicester mercury about a serious incident close to a secondary school in the south of the city. I am sure you don't need reminding to make sure your children are safe by ensuring that they only play out with friends and that you always know where they are going to be. **We look forward to welcoming everyone back to school on Monday 26th October after a well earned break.**
