Supporting your child...

Dear Parents and Carers,

Thank-you to everyone who came to parents' evening last Thursday – working together with parents is the best way for us to ensure your children continue to make good progress. If you were unable to attend, please see your child's teacher to arrange another time to meet in the near future – it is extremely important that every child sees school and home working together to support them.

Parents often ask how they can best support their child at home – here are four simple things you can do:

- Share books with your child and listen to them read
- Talk to them about their day about what they've been learning and what they've enjoyed
- Encourage and support them if they find something difficult
- Make sure that tablets and phones are turned off at least an hour before bedtime and are charged away from their bedroom

Best Wishes
Richard Stone
Headteacher

Supporting the school...become a governor

The Governing Body is looking for a new Parent Governor to challenge and support the work of the school. Parents have an important role to play in helping the school to improve; this role takes a strategic overview of school improvement rather than a having a role in the day to day running of the school but we do need to know how parents feel about the school and what you all think we could do to make to make your child's experience of school even better.

Please contact the school to talk to Richard Stone, Emma Tuffey or Caroline Danvers, who is a parent governor, to see if this is something that you would interest you.

Coronavirus update

We know that many parents will be concerned about the virus; I would like to reassure you that we are following the advice we are given in the daily updates we receive from both central government and Leicester City Council.

We are reinforcing the importance of hand washing as well as increasing the time spent on preventative measures such as cleaning door handles and keyboards and making sure that children are using their own pencils to reduce the opportunity for germs to spread.

There is, at present, no need for children to be kept off school – there have not been any reported cases on Coronavirus in Leicester but we will keep you updated if circumstances change.

Comic Relief and Sports Relief – Friday 13th March

Children can come to school on Friday wearing sports clothes – as long as they bring a donation (suggested as £1) to help the children to raise money for Sports Relief.
