

WORLD BOOK DAY - NEXT THURSDAY

Next Thursday is World Book Day. We hope you child will come to school dressed as their favourite character from the world of books. There are lots of ideas for simple costumes on the World Book day website www.worldbookday.com If you are able to send your child with a small donation we would appreciate your generosity – money raised will be split between the world book day charity and the school fund with the school council to decide how to spend the money.

SCHOOL FINANCES

Like every other school in the country, Fosse faces a very challenging time making ends meet. We will receive our budget next week and will then need to make plans for the year ahead. This year we will have to make some very difficult decisions. For example, at present we subsidise all trips and visits as well as clubs and after school activities. However, I am also aware that many families face considerable hardship. Please understand that the governors and myself will do all we can to ensure that we continue to provide a positive experience for every child at Fosse, ensuring that we continue to look after everyone but we will need to make savings. We hope to find creative ways to ensure that we can continue to provide appropriate support for the whole school community.

Yours Sincerely,

Richard Stone
Headteacher

Lost Property

We have a large amount of lost property again, including lots of winter coats. Please claim these before the end of next week.

We will wash uniforms so that we have spare uniforms for children that come to school out of uniform but coats will be donated to charity.

Road Safety ...

I am sorry to say that I fear for the safety of our children on the roads outside school because of the selfishness of a small minority.

We all know how difficult it is parking close to school but there is no excuse for ever stopping, let alone parking, on the yellow boxes outside school between the hours of 8.00 and 5.00. They should be treated more seriously than a normal double yellow line.

If there is no space close to the school then park further away and walk! If you have to, leave a little earlier to leave time for parking and **please think about the safety of all children as you do the safety of your own.**
