

## Community Week Food Share

Dear Parents / carers

Just over a week ago we asked for families to let us know all the different links they have with other cities in the UK and other countries around the world; we had a disappointing number of slips returned. We want to be able to celebrate the connections that our school has with the rest of the world so please do return the slip if you can – there is another copy below.

Likewise, please let us know if you are able to bring some food to share on Thursday; our food sharing event is only as successful as the effort that parents and families make to bring food to share. There is a slip for this below as well.

Thank-you for your support.

## Easter Celebration Egg-stravaganza!

We are changing how we celebrate Easter slightly this year. Children in Foundation Stage, Year 1 and Year 2 will be making Easter Bonnets as usual – **The Easter Bonnet Parade will be in the playground at 2.30 on the last day of term (23<sup>rd</sup> March) for parents of children from F1 to Year 2.** Parents can also come into school to help their children make their bonnets – F1 Thursday 22<sup>nd</sup> at 11.00am and 2.15pm; F2 Wednesday 21<sup>st</sup> at 2.00pm and Year 1 parents on Tuesday 20<sup>th</sup> at 8.50 am. We cannot accommodate Year 2 parents this year because of their trips to the Botanical Gardens next week.

**Children in Years 3 – 6 will be decorating eggs this year.** The school will supply hard boiled eggs and children will design and make a setting for them (an absolute maximum size of 30cm x 30 cm). These will be designed and made next week and parents are very welcome to send in extra materials to help make the settings.

Completed scenes will be displayed in the hall on Friday afternoon from 3.15. There will, of course, be prizes for the best bonnets and eggs for a boy and a girl from each class and a small egg for everyone for taking part. **Children can only take displays home if they are with a parent or carer.**

### SAFEGUARDING NOTICE FOR ALL FAMILIES – PLEASE NOTE

**Photographs or videos of children from other families in school must not be shared on social media. This is to ensure that some of our most vulnerable children are not put at risk.**
