

## SUMMER TERM SUCCESS !

Dear Parents and Carers,

Please find our termly overviews on the reverse of this sheet – these give an outline of what your child will be learning this term. If you want to know more or to have more information on how to support your child's learning please talk to their class teacher or look on the website.

We will be having a really busy summer term as usual with Key Stage 2 'SATS' leading the way next week. I would like to thank all the staff and children who have worked so hard in Year 6 this year; I look forward to the children showing how much they have learned in their time at Fosse but I also want to remind children and parents that learning is a lifelong journey and next week is just a small part of that.

The longer I serve as a headteacher, the more I believe that real success lies in three things:

- Understanding the value of working hard
- Having the ability to work well with other people.
- Being kind hearted and generous

Any child that leaves Fosse being able to do those three simple things will surely be successful.

Best Wishes

Richard Stone  
Headteacher

## PARKING !!

**Can I please remind parents that it is illegal to park on the yellow zig zags outside school between the hours of 8.00am and 5.00pm Monday to Friday.** I must point out that it is selfish and dangerous.

If you cannot find a parking space there are simple solutions.

- Walk don't drive
- Leave home slightly earlier
- Park further away from school and walk the rest of the way.

There are **always** parking spaces within less than a couple of hundred yards of school.

Stop to think please about how you would feel if your child was knocked down or how you would feel if you knocked a child down. **Children's safety is everybody's concern.**
