

Rewards

Dear Parents / Carers,

We will be making sure that parents are kept as fully informed as possible about all the successes of children at Fosse. For example, we will be sharing the names of children who have won weekly 'Golden Certificates' as a way to celebrate all the good work that is happening.

In a similar way, every week we also send 'Postcards Home' to children who have had a good week. We know children really value these.

Parents may wonder what sorts of things that we reward.

Certificates may be given for all sorts of things: particularly good work; kindness towards other children; having a positive learning attitude; for showing 'grit' and determination; setting a good example or simply for following our 'Golden Rules'

Best Wishes

Our 'Golden Rules'

We are gentle
We are kind and helpful
We listen
We are honest
We work hard
We look after property

Children that follow our Golden Rules will clearly have a happy and successful time at Fosse. Above everything, we want children to leave Fosse as happy and self-confident young people ready to make a positive difference to those around them.

Autumn Fair – next Thursday after school: please bring bottle donations (not alcohol!) and more chocolate from Monday and cakes on Thursday morning. Please see Mrs Smith in F1 if you can help out in any way. We really want parents to be as involved in the school as possible:-)

Healthy Snacks and Packed Lunches

Children should not have biscuits, sweets or crisps as break time snacks – so called 'breakfast bars' are not a healthy snack so should not be eaten at school. Children should only be bringing fruit and water to eat and drink at break. The school council will continue to support children and families to make sure that lunch boxes are balanced and healthy. Please also support your child and the school by making sure they have a healthy and nutritious breakfast in the morning.

Waterside

It was really lovely to see children from Slater Primary coming to Fosse this week to take part in some of our after school clubs. We are absolutely committed to making sure that children from both schools feel happy and confident working together when Fosse expands in 2019.

For your information, the legal processes regarding our expansion and the closure of Slater are now underway – we expect most staffing needs for the expanded school to be agreed before the end of term.

You may have noticed that work has stopped on the site or have read an article in the Leicester Mercury this week. Clearly, the building process has slowed, due to some difficult soil conditions at the top of the site. I know that the builders have presented several different options to the council about what to do but obviously this has caused a delay while the council looks at the different plans. I will keep you fully informed.

In the meantime we will continue to work as closely as possible with staff and pupils from Slater to ensure that the transition is as smooth as possible.

Golden Certificates

The following children were awarded 'Golden Certificates' last week:

1G	Mazen
