Skye Sylvester in 5V has won the 100% award for the summer term – a £30 Amazon voucher - after her name was drawn today. Remember, your child's name goes 'in the hat' every week when their attendance is 100%

School Council

We will be holding School Council Elections on September 22nd – the school council will be run by Mr Variava and Mr Stone this year. We hope to improve children's involvement in decision making around school – learning about democracy and how it works is one of the essential '**British Values**' that are taught in schools in the United Kingdom. More than that though, we hope to show children how they can make a difference to their school.

We will have regular meetings where councillors will share any ideas that may have come from their classmates as well as discussing different things that they might be able to improve in school, including deciding how to raise money and what it could be spent on.

On-line payments etc

Thank-you so much to everyone who has started to use our on-line payment system. For those that haven't yet, it's really quick and efficient for parents and school staff. The app can easily be downloaded for android and iPhone – search for 'groupcallexpressions' and follow the instructions.

We also had an extremely positive response to our on-line survey about our use of electronic communications. Thank-you – this really helps us make the right decisions for the school.

Coffee Mornings

Please keep a look out for the return of our coffee mornings, providing the chance to have a chat with other parents and to talk about what you like about Fosse or what you might want to improve.

Flu Vaccine

If you have had a letter about the flu vaccine please return it to school as soon as possible – remember that these are given as a nasal spray and only take a few seconds. It will protect your child against the most common strains of flu that are expected this winter.

Learning Overviews – please look at the reverse of this page to see what your child will be learning this term. Talk to their class teacher if there is anything you are unsure about and keep showing your child how much you value learning by listening to them read & letting them know that you want them to work hard and do as well as they can at school. Thank-you
