

Community Day – 11th April 2019 after school

Celebrating our differences by making food and sharing with each other ...

Dear Parents / carers

Next Thursday we will be holding our annual food sharing event after school. I think that this is my favourite afternoon in the whole school year; I am proud to be Headteacher of such an amazing school community in which we have families with links to countries all over the world – at present we have 37 different languages spoken by children in our school. There are 14 European, 10 Asian, 8 African and 4 Middle Eastern languages and, of course, everybody speaking English!

Sharing our different national dishes is a great opportunity for us all to celebrate the amazing diversity of our school. We are proud of how well children from totally different backgrounds make friends with each other, demonstrating daily that everyone is welcome at Fosse. I hope we will be able to taste food from every country in the world represented in our school.

Please do consider making a dish or buying some food that can be shared with parents and children after school on Thursday 11th April. As usual, we will be sharing the food in the school hall; a plate of food will cost £1 with all proceeds being put towards buying more books for the school.

**Please return the slip below as soon as possible,
so that we know what to expect and can make preparations for the day.**

Best Wishes

Richard Stone
Headteacher

Community Food Share – Thursday April 11th 2019

I will be bringing food to share on Thursday April 11th – please circle as appropriate

Savoury

Sweet

Vegetarian

Non-Vegetarian

Which country is the food from?

Please don't forget to label containers if you want them to be returned. Food can be brought in the morning of April 11th or during the afternoon – by 3.00pm at the very latest please.
