

Christmas Jumper Day Wednesday 14th

We will be holding our Christmas Jumper Day next Wednesday two days before the official Christmas Jumper Day. The day is organised by Save the Children to raise money to help children around the world who die of easily preventable diseases.

We hope that everyone at school will come wearing a Christmas Jumper with a small amount of money to donate to this worthwhile cause – we suggest £1.

Carol Service at St Margaret's Church Friday 16th

Once again the whole school, from Year 1 – Year 6, will be walking to St Margaret's Church in the centre of town to hold our carol service. All parents and families are very welcome to attend to hear the Christmas story and join in with the carols. We will be setting off from school shortly after 9.00am – although we have support from the police, escorting us along the route, we welcome parents and carers to walk with us as well. If you cannot join us on the walk you are of course welcome to meet us all at the church. Please arrive before 9.45.

Please note that we expect all children to be in uniform for the carol service (which is why we moved the Christmas Jumper day to Wednesday)

Breakfast – the most important meal of the day!

We have increasingly large numbers of children who are coming to school without having eaten breakfast. Although we will always support families that are finding it difficult to make ends meet, sometimes it appears that children are simply being woken up too late in the morning and so do not have time to eat. This really is unfair on children – it makes it extremely difficult for them to concentrate and have a productive time at school.

Breakfast really is the most important meal of the day so please do make sure your child eats before they leave home in the morning.

Parking

An increasing number of parents are choosing to park on the yellow zig Zags and double yellow lines outside school when picking children up.

The yellow zig zags are there for safety reasons, to make sure that there is a clear field of vision for crossing the road. I appreciate how busy it is outside school and we do know how difficult it is to park but there are always legal spaces to park within a one or two minute walk. **Please do not put children in danger by parking on the yellow lines outside school.**

More sporting success from Fosse Primary!

I am extremely pleased to let parents know about some recent sporting successes – we did extremely well at a city badminton tournament yesterday. In particular, congratulations go to Andre and Michal who beat Shaan and Kane in the final. Well done!

In a recent prestigious tournament at Leicester City FC, our boys team reached the semi finals while our girls team won the tournament! Well done to everyone. Most important though is that all children at Fosse get the chance to take part in a wide variety of sports and competitions which hopefully leads to a lifetime of enjoyment of sport.
