19th March 2020

Dear Parents

I am writing to you following the government's decision to close schools to the majority of children from Friday. The full details of which children will still be able to come to schools will be released later today. **In the meantime, if you work for the police, NHS, Police, Fire Service or are a supermarket delivery driver, can you contact the school office to let us know.** This will help us to start planning – we will need further details later, once the government releases the full list of key workers.

All tests and exams that our children would have taken have been cancelled. This includes the Year 6 SATs, phonics check, KS1 SATs and Times Table check. In all cases, a teacher assessment will be used instead and no child will be disadvantaged by this.

We have 2 days to make sure that our remote learning is fully ready and all children are able to access learning from home – we will provide more information on how this will work as soon as we have it; we will still be able to support after this week so please do not worry if you have an issue going forward.

The current situation is changing at an incredibly fast pace and we will need time today to plan for how we continue to support all of our children. We really appreciate the support we have received from parents during this difficult time.

I will continue to keep you informed.

Best Wishes

Richard Stone
